

Cycling Guidelines for Hong Kong Cyclists to Taiwan:

Regulations & Practical Safety Guide

1 Core Challenge: Completely Opposite Traffic Directions

Drive on the Right

Taiwan: Vehicles drive on the right
(Hong Kong: Drive on the left)

Overcome Muscle Memory

- Crossing the Road: Check for oncoming traffic from the left
- Roundabouts: Enter and circulate counter-clockwise
- Checking Behind: Adjustment needed for habitual actions
- Initial Recommendation: Slow down, consciously practice

2 Required: Two-stage Left Turn Process

1 Wait for straight-ahead green light

Bicycles are considered slow vehicles; it is strictly prohibited to make a direct inner lane

2 Turn at intersections with multiple lanes or "Scooters Prohibited" signs.

Avoid riding side-by-side

3 Wait for cross-traffic green light

Wait for the other side's green light to continue straight

3 Avoid riding side-by-side

3. Right of Way & Prohibited Areas

Right of Way Classification (Slow Vehicle)

行駛於慢車道

行駛於自行車道邊緣

- Ride in slow vehicle lanes
- Should ride on slow vehicle lanes or the far right edge of the road.
- Must ride on designated lanes if provided

Sidewalks & Crosswalks

Strictly prohibited to ride on sidewalks (unless 'Shared Path for Pedestrians & Bicycles' sign is present)

- Fine for violation NT\$ 300-1200
- Must dismount and push your bicycle across crosswalks
- Fine for violation NT\$ 300-1200

Expressways & Tunnels (Prohibited)

- Most elevated bridges and long tunnels (e.g., Suhua Highway Improvement, South Link Highway Improvement) are prohibited; please verify when planning your route.

4. Equipment & Behavioral Standards

Lights & Reflectors

- Use white light (front) and red reflector/taillight (rear) at night or when visibility is poor
- Flashing or steady light
- Fines for improper lights

NT\$300-600

Prohibited Actions

- It is prohibited to use a handheld mobile phone while riding
- Strict Penalties for Drunk Driving: Blood alcohol cont. exceeded standard NT\$600-1200, and refusal to test NT\$2400

Strictly prohibited to ride side-by-side

Safety Recommendations

- It is recommended to wear a bicycle safety helmet
- It is recommended to wear bright-colored clothing or a reflective vest
- It is recommended to plan your ride during off-peak hours

Police 110

Ambulance 119

Please follow traffic rules, and have a pleasant cycling trip in Taiwan!
