How to Purchase a SIM Card

- SIM cards can be purchased at telecom counters inside Taoyuan Airport or Songshan Airport. The counters are open daily from 7:00 AM to 10:00 PM, and prices vary depending on the telecom provider.
- If you arrive before 7:00 AM, we recommend enabling international roaming with your local carrier before departure, so you can use roaming services upon arrival in Taiwan. Charges will be based on your home country's roaming rates.
